For 17 years, Allen and Antoinette Alapai have supported our ‘Aha Lomilomi because of their dedication in perpetuating the art and cultural practices of their Kupuna along side all of our Kupuna who volunteer their time to share at our annual conferences. They freely share the knowledge of their ancestors in order to keep the spirit of our kupuna alive in all of our hearts.

Allen has passed while visiting Germany. We are asking Kokua for the ‘ohana to bring him back to Kauai. Please go to GoFundMe click link below:
